Total number books in library January, 1, 1885	<hr/> 2,072
Percentage: fiction, .534; general works, .466.	

## GENERAL REPORT.

It is gratifying to be able to report a successful second year. Measured by the accomplishments of the first year, when interest is fresh owing to the novelty of possessing a Public Library, the second year is generally a disappointment to the trustees. But our circulation has increased by a monthly average of 70 greater than last year; while the class of reading has vastly improved.

During the 21 months of its existence as a free library, the Trustees have added over 1000 books. We have expended therefor the sum of \$214.40. We have received many very valuable works from the Government. We have also secured the valuable library of the local Grand Army Post upon terms favorable to the town and post alike: we hold the books as trustees of the Post, loaning them the same as other books.

During the year, a catalogue was printed by E. L. Proctor as a commercial enterprise of his own, the town being to no expense in the matter; the copy being furnished by Mr. Wright.

While in Littleton and other towns over \$100 is annually expended for Librarian hire, we have secured efficient service for the annual stipend of \$50.00; altho' we loaned about double the number of books issued by the Lancaster Public Library last year. In April, 1894, Miss Clara E. Titus was elected Librarian, holding the office until August, 1894, when Mr. Wright assumed temporary charge while engaged in preparing a card catalogue. In November, Miss Marion L. Weston commenced labors as Librarian, a position now most satisfactorily filled by her.

A special appropriation of \$25 ought to be made for the purpose of binding books that are beginning to show signs of much use; a few dollars now will save many dollars in the future.

C. EDWARD WRIGHT, Chairman,  
P. T. KELLOGG, Secretary,  
H. W. HURD, Treasurer.

Board of Trustees.
